10. Gordonan apple now.(eat)

Dear George and John,

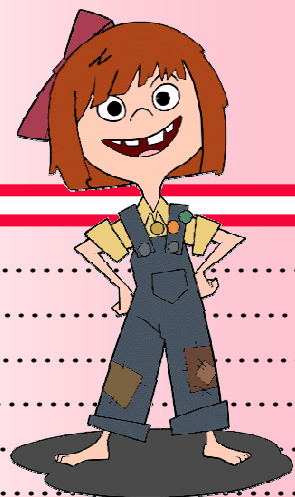

We went to the seaside last weekend. we had a great time ! We swam and played beach volleyball all day. Last night we ate fish? Do you like fish? My cousins came with us, too. My mother and my father set under the umbrella all day. Dad read a book and Mum wrote some postcards. I collected some seashells and brought them to home.

We miss you!

Love

Helen
